BIHAR AND ORISSA

Without this Sachet
no EUGÈNE wave is
genuine

Only the hairdresser who uses Eugène Steam Sachets can give you a genuine Eugène Wave. For in the patent perforated steam sachet lies the great secret of permanent waving. It achieves its wonderful results by gentle and safe means—allowing only clean white steam to come in contact with your hair. Some methods bake the hair to ensure permanency—but they achieve this result at the cost of beauty.

The Eugène method not only gives permanency but enhances the hair's natural sheen and moulds it into lovely lasting waves which have become famous the world over. Refuse all substitute sachets therefore. Insist on Eugène.

At teething time — contentment!

THE fretfulness associated with teething time gives place to contentment if you give baby "Ovaltine" Rusks to bite upon. They assist the tiny teeth through the gums and the comfort thus afforded removes the cause of baby's discontent.

"Ovaltine" Rusks continue their good work as baby grows older. Their very deliciousness will always give pleasure, but even more important is their value in encouraging mastication, which in turn ensures proper development of jaws and teeth and lays the foundation of a sound digestion.

"Ovaltine" Rusks are made from the finest wheaten flour, to which is added a proportion of delicious "Ovaltine." Adults appreciate their crisp freshness. For chota hazri, early lunch and afternoon tea, they are ideal. They are particularly acceptable to invalids and to the aged, being easily assimilable and readily digested.

4 Months

Every drop of Barclay's Lager has to serve a period of imprisonment in "store" before it is released for sale. Four months at freezing-point before bottling! Four long months - at least in which it gradually comes of age, steadily perfecting its condition and acquiring, in the only possible way, the true Lager flavour.

"The very word 'Lager' in itself means 'store'. No beer is genuine lager until it has been matured for a long period in store before being bottled."

ANGIER'S Builds up Health and Strength

Invaluable after any serious illness.

Angier's Emulsion is invaluable for building up health and strength in all run-down conditions and wasting diseases or after any serious illness.

It soothes the mucous membrane of the stomach and intestines, corrects digestive and bowel irregularities, promotes normal healthy appetite, overcomes nervous depression, and greatly increases vitality.

It is the ideal tonic restorative after influenza and in all cases of lung, stomach and bowel weakness.

Angier's is the most palatable of all emulsions and agrees perfectly with delicate, sensitive stomachs. No other emulsion is so strongly recommended and so largely prescribed by the Medical Profession.

Of all Chemists and Bazaars in two sizes.

Equally Useful for Adults and Children.

A Doctor writes: "I consider Angier's Emulsion is one of the finest tonics and strength-builders obtainable, and have always had great faith in it. As a prophylactic and cure for winter colds and chest affections in children and adults, it is admirably efficient, and I always count on good results from its use." (Signed)———M.B., F.R.C.S.

Angier's Emulsion contains no animal oil, and in its preparation is untouched by hand. It is therefore acceptable to all castes and religions.

ANGIER'S EMULSION

ENDORSED BY THE MEDICAL PROFESSION.
